## LITANY OF HUMILITY

O Jesus! Meek and humble of heart, **Hear me.**  
 From the desire of being esteemed... **Deliver me Jesus**  
 From the desire of being loved...  
 From the desire of being extolled ...  
 From the desire of being honored ...  
 From the desire of being praised ...  
 From the desire of being preferred to others...  
 From the desire of being consulted ...  
 From the desire of being approved ...  
 From the fear of being humiliated ...  
 From the fear of being despised...  
 From the fear of suffering rebukes ...  
 From the fear of being calumniated ...  
 From the fear of being forgotten ...  
 From the fear of being ridiculed ...  
 From the fear of being wronged ...  
 From the fear of being suspected ...  
 That others may be loved more than I,

That others may be esteemed more than I ... **Jesus grant me the grace to desire it**

That, in the opinion of the world,  
 others may increase and I may decrease ...  
 That others may be chosen and I set aside ...  
 That others may be praised and I unnoticed ...  
 That others may be preferred to me in everything...  
 That others may become holier than I, provided that I may become as holy as I should...

The Litany of Humility is a Catholic prayer attributed to Cardinal Merry del Val. This prayer was originally intended to be said before Confession, but this is a great prayer we can pray during Lent, and every day of our lives. This prayer can help us to achieve three graces that will bring us closer to Christ. The three graces are setting aside our desires to make ourselves feel special, to overcome our repugnance when we are emotionally hurt by others, and that we may seek the good of others, even at our own expense.

Have a Blessed Lent.

Deo gratias,

Deacon Gary

My name is Kelsey Riesterer, I attended St. Gregory's School from 3K through 8th grade. I also worked at St. Gregory's Daycare while completing my Undergrad Studies at Silver Lake College of the Holy Family.

St. Gregory's School and Church is part of my family. From my Grandma playing the piano for Mass, my Grandpa singing bass up in the choir and my Mom as a Kindergarten Teacher. Not many people are able to say that their Mom was their Kindergarten teacher!

My experience at St. Gregory's School helped guide me into the person I am today. Today, I am a Special Education Teacher in Southern Wisconsin. The teachers I had while at St. Greg's knew me as an individual not just as a student. They watched me grow up. They knew my specific learning style, my strengths, and areas of weakness. They taught me not only academics but life skills such as how to put others before myself and how to apply my faith to everyday life. As a student of St. Greg's I felt happy, challenged and allowed creativity. As a teacher, I know this is the way kids should be allowed to feel while growing up. The benefits of the size and faith-community connection at St. Greg's are unlike any other.

Today's children are facing many uncertainties and challenges from many factors in our modern lifestyle. We owe them the opportunity to succeed not only in school but in life. I am a better teacher thanks to the role models I had while growing up and the education I received at St. Greg's.

Thank you to all who dedicate themselves both past and present to children at St. Gregory's School, Church, and Daycare.

Kelsey Riesterer
