

St. Gregory Parish Council
Approved Minutes
October 14, 2025

Present: Fr. Josuva, Dcn Gary Wilhelm, Tre Waldren, Jean Blattner, Steve Noworatzky, Roseann Schuchardt, Jeff Satori
Rita Steffen was attending Finance meeting which occurred at the same time.

Jean called the meeting to order at 7:35pm.

Approval of minutes: Tre made the motion to approve; Roseann seconded the motion. Motion carried.

Old Business:

Cemetery Section for Loss from Miscarriage Update:

Steve – A request is being made to the finance council, asking for \$400 for angel statues to be placed in the St. Gianna Garden. A temporary sign will designate the area in section 7. Discussed whether a stone or monument would be provided in that area similar to what Manitowoc has for their area. Perhaps a bench, or plaque could be added later.

Committee Reports: No input, accepted as is.

Steve mentioned that even though the new mission and vision statements were printed in the annual report, they should have been presented at the annual meeting.

New Business:

Discussed upcoming events.

Craft fair event was not necessarily as successful financially as hoped for considering all the hard work which was put in by volunteers. Suggestion: Perhaps a silent auction may be a good income stream.

Other business:

Regarding food pantry, is there any backup needed. The work is scheduled once a month and not much more is needed. Perhaps offering more than once a month may be an option. However, it might be a good idea to have another volunteer to help so that backup would be able to continue if needed, regardless of need. Something to monitor going forward.

Fr. Josuva closed the meeting with prayer

Meeting adjourned at 7:55pm

Next meeting date and time: Tuesday, Nov 11 at 7:00 pm

Respectfully submitted.

Jeff Satori, Pastoral Council Secretary
